- Add the biological father's name and information to the birth certificate when the father's information is blank on the original birth certificate. Evidence needed: the marriage license of the biological parents if they are now married to each other, OR an Acknowledgment of Paternity if the biological parents are not married to each other, OR a certified copy of a court order establishing the paternity of the child.
- Change the name and information of the father listed on a child's birth certificate to the biological father's name and information. - Remove the father or mother's information. This requires a certified copy of a court order.
